...making excellence a habit.™

Certificate No: EMS 524028

## Registered Scope:

The provision of infrastructure, maintenance and construction services within the UK in the public and private sectors. Projects undertaken both without and with design responsibility (i.e: "Design and Build"). Working under, but not limited to, standard forms of contract, joint ventures and term maintenance contracts. Projects involving: 1) the construction and maintenance of highways, footways and associated structures; 2) the general management, process management and monitoring activities for contract and permanent civil engineering projects; 3) the construction of bridges and structures; 4) the construction of main drainage systems; 5) the installation, maintenance and removal of static temporary traffic management; 6) the application, installation, maintenance and removal of road marking materials and road studs; 7) the laying of asphalt mixtures on roads and other paved areas; 8) the renovation and renewal of historic heritage sites; 9) the construction of river works and improvement schemes; and 10) landscaping and maintenance of parks and building grounds using indigenous greenery and environmentally friendly methods. The installation and maintenance of highway electrical and associated works: 1) the installation of non-illuminated traffic signs and associated apparatus; 2) the installation of highway lighting columns and posts and other street furniture; 3) the installation of cables in trenches and ducts, and the excavation of the trenches/laying of ducts where required; 4) slot cutting and the laying of inductive loop cables for traffic signal and other highway electrical equipment; 5) the installation and maintenance of electrical apparatus and associated structural supports and cabling for highway lighting and illuminated traffic signs; 6) the installation and maintenance of highway electrical equipment for motorway and other road tunnels; and 7) the installation and maintenance of highway electrical and/or highway electronic equipment and/or associated highway works.
